PROJECT:

Hampton Inn is a hotel chain with more than 1,500 locations throughout the United States, Canada, and Latin America and is a member of the Hilton family of hotels. The new 50,000 square-foot hotel boasts 72 rooms throughout three stories and is located in Glen Carbon, Illinois.

RESULTS:

Hager Companies' vast line of door hardware provided Option Supply, Inc. with the exact products needed in the construction of Hampton Inn's new hotel. Hager delivered the products on-time and under budget.

More for your door than any other brand.™
